10 Possible Assist Chart (PAC)	10 Possible Assist Chart (PAC)	10 Possible Assist Chart (PAC)	10 throwing error? Roll again ***

\*\*\* throwing error possible, roll 2 dice, 11-26 LF, 31-46 CF, 51-66 RF, with the 2nd die used to compare to fielder's te rating, if rating less than or equal to, then it's an error  
If it's an error then the batter goes to 2nd on a single, 3rd on a double, and in all cases all runner score (except an S runner on first on a single who stops at 3rd base)

[Trail Runner Adv.](#) Means the trail runners advance, including the batter, on the throw. On 7,8,9 only F runners and F batter advances an extra base after the throw.
